

Dear Community member,

In 1985 a small non-profit organization was started in Atlantic County, New Jersey that provided alcohol education, awareness and prevention. Over the years The Atlantic County Council on Alcoholism grew. In 1996 the agency changed its name to Atlantic Prevention Resources (APR) and has continued to grow and flourish into a new century.

In 2008, Atlantic Prevention Resources applied for and was granted a license to provide treatment to adults who were diagnosed with a substance use disorder (SUD) on an outpatient basis. Since then, APR has counseled hundreds of clients; many of whom continue to remain clean and sober to this day.

Over the past several years, the cost to operate our treatment program has risen significantly, and for most of the last 13 years reimbursement rates have remained stagnant. This has created questions about the future for this life-saving program.

We are planning a fundraiser for the Spring of 2023, tentatively scheduled for Friday March 31, 2023 at the Linwood Country Club. We are looking for individual and corporate sponsors for the event, so if you are in a position to do so please reach out to us. If you are not, perhaps you know someone or a business that is.

So, if you believe in your heart, as we do, that SUD treatment works and would like to participate in this event, please contact Justin Urbonas at APR's Pleasantville office at (609) 272-0964 ext. 251

We wish you and your loved ones a Happy New Year.

Sincerely,

Robert Zlotnick, Ph.D

Justin Urbonas, CADDC
